ARTICLE 2 - COMMON AREAS

2.1 Grant of Authority

The Map sets forth terms and conditions establishing rights for the Members to use, and general obligations for the Members and/or the Association to use and maintain, certain easements within the Property, but the Map does not establish a framework for the Members to make joint decisions, obtain funds to pay for necessary costs, or protect rights and enforce obligations. As such, the Developer and the Owners of all Lots within Caleb's Park hereby grant and convey the Common Areas to the Association together with the exclusive right and obligation to manage and control the Common Areas and to administer the covenants, conditions, restrictions and easements set forth in this Declaration on behalf of and in the interest of the Members, in accordance with the general terms and conditions set forth on the Map and subject to the rights reserved to the Developer herein.

2.2 Association Control

Subject to the Developer's rights set forth in Section 2.7, and pursuant to the authority granted to the Association set forth in Section 2.1, the Association shall manage and control the Common Areas for the benefit of the Lot Owners. Except as otherwise limited by law, prior restriction and the restrictions set forth in the Declaration, each Lot Owner shall have a non-exclusive right to use and enjoy the Common Areas.

2.3 Association Responsibilities

The Association shall have the right and obligation to maintain, repair, replace, reconstruct and make necessary improvements to the Common Areas, or shall contract for such maintenance, repair, replacement, reconstruction and improvements, to keep the Common Areas and all Improvements thereon in a good, sanitary and attractive condition. Such maintenance, repairs, replacement, reconstruction and improvements shall include, without limitation: (a) maintenance, repair, replacement and reconstruction of perimeter fences enclosing Common Areas, landscaping, shrubs, vegetation, irrigation systems (if any), lighting (if any), and other recreational or landscaping Improvements located on the Common Areas, (b) maintenance, repair, replacement and reconstruction of all parking areas, roads, sidewalk, and other means of ingress and egress within the Common Areas, (c) inspection, maintenance, pruning, and replacement of trees, including but not limited to hazardous trees, located on the Common Areas, (d) maintenance, repair of and payment for all centrally metered utilities, mechanical and electrical equipment, if any, serving the Common Areas, and (e) maintenance, repair, replacement and reconstruction of storm water drainage facilities and equipment located within the Property. The Association may provide such additional common maintenance which it determines to be in the best interest of the Lot Owners. The Board shall acquire and pay for as a Common Expense of the Association all goods and services reasonably necessary or convenient to perform its responsibilities set forth in this Section 2.3 for the efficient and orderly maintenance of the Common Areas.

2.4 Restrictions on Use

Except with regard to utility easements, the Common Areas may be used only by Lot Owners, Occupants and their respective guests and invitees. The Common Areas shall also be subject to the other restrictions, limitations and reservations contained or provided for in this Declaration or the Bylaws.

2.5 Rules and Regulations

The Association shall have the authority to establish reasonable rules and regulations for the maintenance and use of the Common Areas consistent with this Declaration.

2.6 Conveyance of Common Area

Portions of the Common Area may be conveyed or subjected to a security interest by the Association if Lot Owners entitled to cast at least eighty percent (80%) of the votes in the Association, including eighty percent (80%) of the votes allocated to Lots not owned by Developer, agree to that action. An agreement to convey Common Area must be evidenced by the execution of an agreement, or ratifications of an agreement, in the same manner as a deed, by the requisite number of Lot Owners. The agreement must specify a date after which the agreement will be void unless recorded before that date.

2.7 Developer's Rights in the Common Area

The Developer shall have and hereby reserves for itself, its successors and assigns, an easement for the right, during the Development Period and any period thereafter in which Developer is a Lot Owner, to utilize the Common Area for its business uses and purposes, including, but not limited to, completion of improvements thereon and other uses and purposes related to the construction, promotion and development of Caleb's Park. The Developer may add to or subtract from the Common Area during the Development Period by an amendment to this Declaration. Until the termination of the Development Period, Developer reserves the right to withdraw any undeveloped part of the Property from this Declaration and to dedicate, transfer or convey to any state, county, municipal or other governmental entity any such part of the Property. The rights reserved to Developer in this Section 2.7 shall be exercised by Developer at Developer's sole discretion. Upon termination of the Development Period, said Developer's easement shall automatically terminate. Control and the management and administration of the Common Area shall vest in the Association at the end of the Development Period subject to the Developer's aforementioned rights of use.

ARTICLE 3 - EASEMENTS

3.1 In General

Each Lot shall have an easement for access in, over and through the Common Areas.

3.2 Utility Easements

As described and shown on the Map, public and/or private utility entities and their respective successors and assigns have been granted certain utility easements. Lot Owners shall not interfere with utility representatives' access to the utility easement areas or meters at any time, and shall otherwise comply with all terms of such easements.

3.3 Association Functions

The Association, its employees, agents and contractors, shall have a perpetual, non-exclusive easement over, under and across the Property with a right of immediate entry and continued access for the construction, improvement, maintenance, repair and reconstruction of the Common Areas. No Lot Owner or Occupant shall place or permit to be placed any structure, planting or other material, or permit such items to remain under, on or in, any easement area on the Property which (i) interferes with the use of the easement, (ii) may damage or interfere with the installation and maintenance of utilities within easements for installation and maintenance of utilities, or (iii) may damage, interfere with or change the direction or flow of drainage facilities within easements for installation and maintenance of drainage facilities.

3.4 Private Drainage Easement

A Private Drainage Easement over Lot 45, as shown on the Map, is hereby granted and conveyed to Lot 46 for the purpose of installation, maintenance, repair and reconstruction of drainage facilities to drain storm water from Lot 46 to Tract 995. The Owner of Lot 46 shall restore any damage to the easement area caused as a result of its use of said easement area. The Owners of Lots 45 and 46 shall jointly maintain any drainage improvements within said easement area, except that the Owner of Lot 45 shall not be responsible for maintenance, repair or replacement of drainage facilities upstream from said Owner's Lot.

3.5 Release and Indemnification

The benefited Lot Owner of each easement set forth in this ARTICLE 3 shall release, defend, indemnify and hold the burdened Lot Owner harmless from any and all loss or liability for damage to property or injury or death to persons related to the benefited Lot Owners use of the Easement Area except to the extent said loss or liability arises from or relates to the grossly negligent or intentional wrongful act of the burdened Lot Owner or said Owner's agents or invitees

3.6 Running with the Land

The easements set forth in this ARTICLE 3 shall run with the land and shall bind the heirs, successors and assigns of the Association and the Owners of the respective benefited and burdened Lots

ARTICLE 4 - MAINTENANCE

4.1 Maintenance of Common Areas

As set forth in Section 2.3, the Association shall have the right and duty to maintain, repair, replace and make necessary improvements to the Common Areas. The Association shall also maintain all landscaped areas within the public right of way adjacent to Lots and Tracts. In the event that, in connection with such duties, the Association disturbs or damages any Improvements located on a Lot, the Association shall restore said Improvements as close as practicable to their condition prior to such disturbance, damage or commencement of such repairs or other work. Lot Owners may not change the appearance of the Common Areas without the prior permission of the Board.

4.2 Maintenance of Lots and Improvements

Except to the extent the obligation to maintain, repair and replace portions of the Lot are allocated to the Association in this Declaration, each Lot Owner shall keep the Owner's Lot, the Residence, perimeter fencing enclosing the Lot, and all other Improvements thereon (excluding the Common Areas therein, if any) in a safe, neat and operable condition, including without limitation the removal of debris and refuse to the extent necessary to keep the Property in a clean and orderly condition. If a Lot Owner fails to correct a problem in maintenance or repair of the Owner's Lot called to such Lot Owner's attention by written notice by Developer or the Association within thirty (30) days of such notice, the Association shall have the right to effect such maintenance, and the Owner of such Lot shall reimburse the Association for the reasonable cost of the services performed. In the event that the estimated cost of such repair, maintenance or restoration exceeds one-half (1/2) of one percent (1%) of the assessed value of the Lot, a majority of the Lot Owners must approve such repair, maintenance or restoration before the Board may begin such repair, maintenance or restoration. Any such sums the Association expends maintaining or replacing said Improvements shall be secured by a lien on the Lot, which lien shall include collection costs, including attorneys' fees.

4.3 Ownership and Maintenance of Auto Court

Declarant hereby grants and conveys Tract 996 - Auto Court in equal and undivided interests to the Owners of Lots 45, 46, 47 and 48. Said Owners shall jointly maintain, repair and reconstruct the Improvements and appurtenances within said Tract and share equally in all costs of such maintenance, repair or reconstruction. Pursuant to applicable municipal codes, the auto court (a) shall be maintained with approved signage and curb markings indicating "No Parking - Fire Lane" to prohibit obstruction of the required fire access road, and (b) shall be maintained with concrete pavers, decorative stamped asphalt or similar decorative materials as outlined in the City of Marysville Design Guidelines and Engineering Design and Development Standards (EDDS) 3-219, *Autocourts*, or any successor codes or regulations.

Owners may not replace decorative surfaces with non-decorative surfaces. Each said Owner shall hold the other Owners and the Association harmless from any and all claims, losses, damages and causes of action arising from or related to the use of the Tract by such Owner, except to the extent that such claim, loss, damages or cause of action arises from the negligence or intentional misconduct of the Owner.

ARTICLE 5 - PROPERTY RESTRICTIONS

5.1 Alterations

No alterations, additions or deletions to the exterior of any Residence shall be made without the prior written consent of the Board.

5.2 Exterior Finish

The color of any paint or stain and the color of any replacement or new roofing or siding shall be approximately the original color unless a different color is permitted by prior written consent of the Board.

5.3 Signs

No signs, billboards or other advertising structure or device shall be displayed to the public on any Lot or the Common Areas, except that one sign not to exceed four (4) square feet in area may be placed on a Lot to offer the Lot for sale or rent, unless the Board has designated an area within the Property for placing signs offering Lots for sale or rent. All such signs shall be of a quality equivalent to those used by Developer. Signs may be used by Developer, or an agent of Developer, to advertise the Lots during the construction and sale period. Notwithstanding the foregoing, a Lot Owner or Occupant may display political yard signs on the Lot Owner's or Occupant's Lot for the sixty (60) days immediately before any primary or general election, or such longer period as may be permitted by applicable law. The Board may remove any sign placed on any Lot or Common Areas in violation of these restrictions.

5.4 Outdoor Lighting

No outdoor lighting on any Lot, except as initially constructed by Developer, shall be allowed unless approved by the Board.

5.5 Satellite Dishes

A Lot Owner may install, use and maintain, at the Lot Owner's sole cost and expense, an antenna, satellite dish or other device for the transmission or reception of television or radio (including ham radio) signals, or any other similar device ("Satellite Dish") on the Owner's Lot so long as such installation, use and maintenance complies with this Section. Satellite Dishes must have a diameter or diagonal measurement of one (1) meter or less. Lot Owners desiring to install a Satellite Dish are encouraged, but not required, to notify the Association in writing at least ten (10) days prior to installation with a description of the Satellite Dish and the location of the intended installation. In any event, the Lot Owner shall notify the Board within five (5) days after the installation of the Satellite Dish. The Board shall review the location and determine whether an alternative, less obtrusive location can be used. Satellite Dishes should be screened from view from the street and the Common Areas when possible. However, a Lot Owner may install a Satellite Dish without such screening if the Lot Owner desiring to install such device demonstrates to the Association that such screening would unreasonably delay or prevent installation, maintenance, or use of the Satellite Dish, unreasonably increase the cost of installation, maintenance or use of Satellite Dish, or preclude reception of an acceptable quality signal. The Board may (a) require additional screening and/or the painting of the Satellite Dish to match the color of the Residence so long as such action does not

unreasonably interfere with the signal strength or (b) require the relocation of the Satellite Dish, if the Board demonstrates that an alternative location may be used that is less visible or less obtrusive, but still does not unreasonably delay or prevent installation, maintenance, or use of the Satellite Dish, unreasonably increase the cost of installation, maintenance or use of Satellite Dish, or preclude reception of an acceptable quality signal

5.6 Solar Energy Panels

Solar energy panels may be installed within a Lot so long as the solar energy panel (a) meets applicable health and safety standards and requirements imposed by Washington State and local permitting authorities, (b) if used to heat water, is certified by the solar rating certification corporation or another nationally recognized certification agency for both the solar energy panel and for installation, and (c) if used to produce electricity, meets all applicable safety and performance standards established by the national electric code, the institute of electrical and electronics engineers, accredited testing laboratories, such as Underwriters Laboratories, and, where applicable, rules of the utilities and transportation commission regarding safety and reliability. Solar energy panel frames, support brackets, or any visible piping or wiring shall be painted to coordinate with the roofing or other adjacent material. Solar energy panels may be attached to the slope of a roof facing the street only if the panel conforms to the slope of the roof and the top edge of the panel is parallel to the roof ridge. Ground-mounted solar energy panels must be shielded if shielding the panel does not prohibit economic installation of the solar energy panel or degrade the operational performance quality of the solar energy panel by more than ten percent (10%).

5.7 Partition

No part of the Property shall be partitioned, nor shall any Lot Owner or any person acquiring any interest in the Property or any part thereof seek judicial partition, except in accordance with the express provisions of this Declaration.

5.8 Subdivision or Combination

No Lot or any part of the Property shall be divided or combined except upon the written approval of sixty-seven percent (67%) of the Members and only to the extent permitted by all applicable provisions of the Snohomish County Code. Following approval by the Members, the Association shall file with the Snohomish County Auditor an amendment to this Declaration as may be necessary to describe fully such combined or subdivided Lot or Lots or Property.

ARTICLE 6 - USE RESTRICTIONS

6.1 Number of Lots

By recording the Map, Developer created fifty-four (54) Lots. The Property subject to this Declaration consists of fifty-three (53) Lots. Lot 1 created by recording the Map is not subject to this Declaration.

6.2 Residential Use

All Lots shall be used solely for private single family residential purposes and related activities, on an ownership, rental or lease basis, and for social, recreational or other reasonable uses normally incident to such purposes.

6.3 Home Businesses

11.6 Initial Payment for Working Capital

The Association shall collect from each initial residential purchaser of each Lot an amount equal to at least six (6) months' Assessments at the time of the first conveyance of each Lot to establish a sufficient initial working capital fund. This initial payment into the fund shall be in addition to any Assessments which each purchaser of a Lot from Developer will pay at the time of closing of the sale. Each Lot's share of the working capital fund must be collected and transferred to the Association at the time of closing of the sale of each Lot for the use and benefit of the Association. The purpose of the fund is to ensure that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Board. Amounts paid into the fund are not to be considered as advance payments of regular Assessments. The Developer shall not use any of the working capital fund to defray any of its expenses or construction costs, or to make up any budget deficits prior to the date that control of the Association is transferred to the Lot Owners.

11.7 Reserve Study

The Board shall comply with the requirements set forth in the Act for reserve studies for the Common Areas and portions of the Lots which the Association must maintain, repair or replace pursuant to Section 4.1. Unless the Board, in its reasonable discretion, determines that the Association has only nominal reserve costs or if the cost of the reserve study or update exceeds ten percent (10%) of the Association's annual budget, the Association shall prepare and annually update a reserve study. A "reserve component" means any physical component of Caleb's Park which the Association is obligated to maintain, repair, or replace, which has an estimated useful life of less than thirty (30) years, and for which the cost of such maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget. An initial reserve study conducted by a reserve study professional must be prepared and based upon a visual site inspection or a review of plans and specifications of or for unbuilt improvements, or both when construction of some but not all of the improvements is complete. At least every three (3) years, an updated reserve study must be prepared and based upon a visual site inspection conducted by a reserve study professional. If more than three (3) years have passed since the date of the last reserve study prepared by a reserve study professional, the Owners of Lots to which at least twenty percent (20%) of the votes are allocated may demand, in a record delivered to the Board, that the cost of a reserve study be included in the next budget and that the study be obtained by the end of the budget year. The demand shall refer to RCW 64.90.555 of the Act. Unless the Board determines that preparing a reserve study would impose an unreasonable hardship on the Association and the Lot Owners, the Board shall, upon receipt of the written demand, include the costs of a reserve study in the next budget and, if the budget is not rejected by the Lot Owners pursuant to Section 11.4, will arrange for the preparation of the reserve study.

11.8 Uniform Rate of Assessment

Both regular and special Assessments shall be assessed in equal shares against all Lots, except for Assessments against a specific Lot Owner imposed by the Board to reimburse the Association for costs

incurred in bringing the Lot Owner or Lot into compliance with the provisions of this Declaration, the Bylaws, or the Association's rules and regulations, or as otherwise provided in this Declaration, which Assessments shall be assessed solely against such Owner's Lot. The formula used to establish allocations of interests is based on an equal share.

11.9 Payment By Lot Owners

Each Lot Owner shall be obligated to pay its regular and special Assessments to the Treasurer of the Association. Regular Assessments shall be paid annually or in equal monthly or other periodic installments on or before the due date established by the Board. Special Assessments shall be paid annually or in equal monthly or other periodic installments or before the first day of each month during each year or at such time and in such other reasonable manner as the Board designates.

11.10 Interest; Late Charges

As part of its collection of delinquent Assessments, the Association shall be entitled to recover interest for the period of delinquency, late charges, interest and expenses of collection, including but not limited to attorneys' fees. In addition, the Association shall be entitled to recover costs and reasonable attorneys' fees if it prevails on appeal and in the enforcement of a judgment. The Association may, from time to time, establish reasonable late charges and a rate of interest to be charged on all subsequent delinquent Assessments or installments thereof. Delinquent Assessments shall bear interest from the date of delinquency at the maximum rate permitted under RCW 19.52.020 on the date on which the Assessments became delinquent. The Association may impose a late charge in an amount not exceeding twenty-five percent (25%) of any unpaid Assessment or charge which had remained delinquent for more than fifteen (15) days.

11.11 Payment by Mortgagees

Subject to Section 12.2.2, the holder of a Mortgage or other purchaser of a Lot who obtains the right of possession of the Lot through foreclosure shall not be liable for Assessments or installments of Assessments that became due prior to such right of possession. Such unpaid Assessments shall be deemed to be Common Expenses collectible from all the Lot Owners, including such holder of the Mortgage or other purchaser of such Lot. Foreclosure of a Mortgage does not relieve the prior Lot Owner of personal liability for Assessments accruing against the Lot prior to the date of such sale.

11.12 Surplus Funds

Any surplus funds of the Association remaining after the payment or of provision for Common Expenses and any prepayment of reserves must be paid annually to the Lot Owners in proportion to their Common Expense liabilities or credited to them to reduce their future Assessments.

11.13 Record of Assessments; Reconciliation

The Association shall keep an accurate record of its receipt and expenditures in chronological order. Such record shall specify and itemize the operation, maintenance, replacement and repair expenses of the Common Area and any other expenses incurred. Records and vouchers authorizing such payments shall be available for examination by the Lot Owners for any proper purpose at any reasonable time. To assure that the Lot Owners are correctly assessed for the actual expenses of the Association, the accounts of the Association must be reconciled at least annually unless the Board determines that a reconciliation would not result in a material savings to any Lot Owner.

11.14 Owner Misconduct

11 14 1 To the extent that any expense of the Association is caused by willful misconduct or gross negligence of any Lot Owner or that Lot Owner's tenant, guest, invitee, or occupant, the Association may assess that expense against the Lot Owner's Lot after notice and an opportunity to be heard, even if the Association maintains insurance with respect to that damage or Common Expense

11 14 2 To the extent that any expense of the Association is caused by the negligence of any Lot Owner or that Lot Owner's tenant, guest, invitee, or occupant, the Association may assess that expense against the Lot Owner's Lot after notice and an opportunity to be heard, to the extent of the Association's deductible and any expenses not covered under an insurance policy issued to the Association

ARTICLE 12 - LIEN FOR ASSESSMENTS; COLLECTION

12.1 Lien in Favor of Association

The Association has a lien on a Lot for any unpaid Assessments levied against a Lot from the time the Assessment is due. Attorney's fees, collection costs, late charges, fines, and interest charged by the Association are enforceable as Assessments and are subject to the Association's lien on said Lot

12.2 Priority of Association Lien

12 2 1 General Priority The lien of the Association under this Section shall be prior to all other liens and encumbrances on a Lot, except (a) liens and encumbrances recorded before the recording of the Declaration, (b) except as provided in Section 12 2 2, a Mortgage on the Lot recorded before the date on which the Assessment sought to be enforced became due, or (c) liens for Real Property taxes and other governmental assessments or charges against the Lot

12 2 2 Priority Over Mortgages Encumbering Individual Lots

(a) If the Association elects to foreclose its lien under Section 12 5 of this Declaration, the lien shall also be prior to the Mortgages described in Section 12 2 1(b) to the extent of an amount equal to Assessments for Common Expenses, excluding any amounts for capital improvements, based on the periodic budget adopted by the Association pursuant to this Declaration, along with any specially allocated Assessments, which would have become due, in the absence of acceleration, during the six (6) months immediately preceding (i) the date of recording of a notice of trustee's sale by a deed of trust beneficiary, (ii) the date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the Association or by the holder of a recorded security interest, or (iii) the date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract

(b) In addition, the lien shall also be prior to the Mortgages described in 12 2 1 to the extent of the Association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in Section 12 2 2(c), provided, however, that the costs and reasonable attorneys' fees that will have priority under this Section 12 2 2(b) shall not exceed two thousand dollars (\$2,000) or an amount equal to the amounts described in Section 12 2 2(a), whichever is less

(c) The amounts described in Section 12 2 2(b) shall be prior only to the security interest of the holder of a security interest on the Lot recorded before the date on which the unpaid Assessment became due and only if the Association has given that holder not less than sixty (60) days'

prior written notice that the Owner of the Lot is in default in payment of an Assessment. The notice shall contain the name of the borrower, the recording date of the deed of trust or mortgage, recording information, the name of the plat, Lot owner, and Lot number, the amount of unpaid Assessment, and a statement that failure to, within sixty (60) days of the written notice, submit to the Association payment of six (6) months of Assessments as described Section 12.2.2(a) will result in the priority of the amounts described in Section 12.2.2(b).

(d) Upon payment of the amounts described in Section 12.2.2(a) by the holder of a security interest, the Association's lien shall thereafter be fully subordinated to the lien of such holder's security interest on the Lot.

12.3 Recording Not Required

Recording of this Declaration constitutes record notice and perfection of the lien for Assessments. While no further recording of any claim of lien for Assessment under this Section shall be required to perfect the Association's lien, the Association may record a notice of claim of lien for Assessments under this Section in the Real Property records of the County in which the Property is located. Such recording shall not constitute the written notice of delinquency to a Mortgagee referred to in Section 12.2.2 of this Declaration.

12.4 Limitations on Enforcement

12.4.1 The Association may not commence an action to foreclose a lien on a Lot unless the Lot Owner, at the time the action is commenced, owes a sum equal to at least three (3) months of Assessments and the Board approves commencement of a foreclosure action specifically against that Lot.

12.4.2 A lien for unpaid Assessments is extinguished unless legal proceedings to enforce the lien are instituted within six (6) years after the full amount of the Assessments sought to be recovered becomes due.

12.5 Enforcement of Lien

12.5.1 The lien arising under this Section may be enforced judicially by the Association or its authorized representative in the manner set forth in Chapter 61.12 RCW or nonjudicially in the manner set forth in Chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust. For the purpose of preserving the Association's nonjudicial foreclosure option, this Declaration shall be considered to create a grant of each Lot in trust to Chicago Title Insurance Company or its successors and assigns ("Trustee") to secure the obligations of each Lot Owner ("Grantor") to the Association ("Beneficiary") for the payment of Assessments. Grantor shall retain the right to possession of Grantor's Lot so long as Grantor is not in default of an obligation to pay Assessments. The Trustee shall have a power of sale with respect to each Lot, which becomes operative in the case of a default in a Grantor's obligation to pay assessments. The Lots are not used principally for agricultural or farming purposes.

12.5.2 The Association or its authorized representative shall have the power to purchase the Lot at the foreclosure sale, whether judicial or nonjudicial, and to acquire, hold, lease, mortgage, or convey the Lot to a third party. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption shall be eight (8) months. Nothing in this Section shall prohibit the Association from accepting a deed in lieu of foreclosure from the Owner of the Lot subject to the lien.

12.6 Appointment of Receiver

In an action by the Association to collect Assessments or to foreclose a lien on a Lot under this ARTICLE 12, the court may appoint a receiver to collect all sums alleged to be due and owing to a Lot Owner before commencement or during pendency of the action. The receivership is governed by Chapter 7 60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the Association for any Assessments against the Lot. The exercise by the Association of the foregoing rights shall not affect the priority of preexisting liens on the Lot.

12.7 Personal Liability of Lot Owners

In addition to constituting a lien on the Lot, each Assessment shall be the joint and several obligation of the Lot Owner of the Lot to which the same are assessed as of the time the Assessment is due. A Lot Owner may not exempt himself or herself from liability for Assessments. In a voluntary conveyance other than by foreclosure, the grantee of a Lot is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent Assessment shall be maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

12.8 Statement of Assessment

The Association, upon written request, shall furnish to a Lot Owner or a Mortgagee of a Lot a statement signed by an officer or authorized agent of the Association setting forth the amount of unpaid Assessments against that Lot. The statement shall be furnished within fifteen (15) days after receipt of the request and is binding on the Association, the Board, and every Lot Owner, unless and to the extent known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this Section 12 8 or any resale certificate.

ARTICLE 13 - MORTGAGEE PROTECTION

The following provisions shall apply to and benefit each holder of a Mortgage of a deed of trust given for the purpose of obtaining funds for the construction or purchase of a Residence on any Lot or the improvement of any Lot, notwithstanding and prevailing over any other provisions of this Declaration, the Bylaws, or any rules, regulations or management agreements.

13.1 Before Possession

Prior to the time a Mortgagee is entitled to possession of a Lot, the Mortgagee shall not be personally liable for the payment of any Assessment or charge, or for the observance or performance of any covenant, restriction, regulation, rule, Bylaw or management agreement, except for those matters which are enforceable by injunctive or other equitable relief, not requiring the payment of money, as hereinafter provided.

13.2 During Foreclosure

During the pendency of any proceeding to foreclose said mortgage or deed of trust, the Mortgagee may exercise any or all of the rights and privileges of the Lot Owner of the mortgaged Lot, including, but not limited to, the right to vote as a member of the Association to the exclusion of the Lot Owner's exercise of such rights and privileges.

13.3 During Possession

At such time as said Mortgagee shall become entitled to possession of the Lot, the Mortgagee shall be subject to all of the terms and conditions of this Declaration and the Bylaws, including, but not limited to, the obligation to pay for all Assessments and charges accruing thereafter, in the same manner as the Lot Owner, provided, however, the Mortgagee shall acquire the title to said Lot free and clear of any lien authorized by or arising out of any provisions of this Declaration which secures the payment of any Assessment for charges accrued prior to the date said Mortgagee became entitled to possession of the Lot

13.4 Unpaid Assessments

If it is deemed necessary by the Association, any unpaid Assessment against a Lot foreclosed by a Mortgagee may be treated as a common expense of the other Lots. Any such unpaid Assessments shall continue to exist as a personal obligation of the defaulting Lot Owner of the respective Lot.

13.5 Subordination

A breach of any of the provisions contained in this Declaration or any reentry by reason of such breach shall not defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value as to said premises or any part thereof, but said provisions shall be binding upon and effective against any Lot Owner of said premises whose title thereto is acquired by foreclosure, trustee's sale or otherwise.

ARTICLE 14 - AMENDMENT OF DECLARATION

14.1 Developer's Reserved Rights

The Developer reserves the right and, on behalf of all Lot Owners, is hereby authorized to execute and to have recorded any amendments to this Declaration it deems necessary prior to the termination of the Development Period. All Lot Owners hereby grant to the Developer a full and complete power of attorney to take those actions and agree that said amendments shall be binding upon their respective Lots and them and their assigns to the same extent as if they had personally executed said amendments. All Lot Owners hereby acknowledge and agree that the power of attorney granted herein shall be deemed coupled with an interest and shall be irrevocable.

14.2 Amendment by Members

After termination of the Development Period, this Declaration may be amended only by vote or agreement of Lot Owners of Lots to which at least sixty-seven percent (67%) of the votes in the Association are allocated, *provided that* any amendment that alters the provisions of any easement set forth in ARTICLE 3 shall require the approval of the party benefited by said easement. After such approval, the President and Secretary of the Association, for and on behalf of the Lot Owners, shall certify that the amendment was properly adopted and execute and record said amendment.

14.3 Exceptions

Except to the extent expressly permitted or required by the Act, an amendment may not create or increase Special Declarant Rights, increase the number of Lots, change the boundaries of any Lot, or change the allocated interests of a Lot without the consent of Lots Owners to which at least ninety percent (90%) of the votes in the Association are allocated, including the consent of any Lot Owner of a Lot, the boundaries of which or allocated interest of which is changed by the amendment.

14.4 Corrective Amendments

Upon thirty (30) days' advance notice to Lot Owners, (a) the Developer may, without a vote of the Lot Owners or approval by the Board, and within five (5) years after the recordation or adoption of the Governing Documents containing or creating a mistake, inconsistency, error, or ambiguity, or (b) the Board may, upon a vote of two-thirds (2/3rds) of the members of the Board adopt, execute, and record a corrective amendment or supplement to the Governing Documents to correct a mathematical mistake, an inconsistency, or a scrivener's error, or clarify an ambiguity in the Governing Documents with respect to an objectively verifiable fact. Any such amendment or supplement may not materially reduce what the obligations of the Developer would have been if the mistake, inconsistency, error, or ambiguity had not occurred.

14.5 Limitation of Action

In the absence of fraud, any action to challenge the validity of an amendment adopted pursuant to this Section may not be brought more than one (1) year after the amendment is recorded.

ARTICLE 15 - LIMITATION OF LIABILITY; INDEMNIFICATION

15.1 Limitation of Liability

No person who serves as a member of the Board (including the initial Board) or as an officer of the Association (including Developer) shall be personally liable to the Association or any Lot Owner or any other party for conduct as a member of the Board and shall be protected to the fullest extent permitted by law. If Washington State Law is amended after adoption of this Declaration, then the liability of each Board member and officer of the Association shall be limited to the full extent permitted by Washington State Law, as so amended. No repeal or modification of this Section 15.1 shall adversely affect any right or protection of a Board Member existing at the time of such repeal or modification.

15.2 Indemnification

15.2.1 Board Members The Association shall indemnify and hold all persons who serve as a member of the Board or the initial Board or as a Board member and officer of the Association (including Developer, to the extent Developer acts in any such capacity), harmless to the full extent permitted by Washington State Law as it now exists or as it is amended hereafter. This indemnification shall continue as to a person who has ceased to be a Board Member and/or officer and shall inure to the benefit of that person's heirs, personal representatives, or assigns. The Association may, upon written request, advance expenses incurred by the Board Members and/or officers entitled to this indemnification. If a claim for indemnification or advance of expenses is not paid within sixty (60) days after a written claim has been received by the Association, the claimant may sue the Association to recover any unpaid amount. If successful, the claimant shall be entitled to reasonable costs and attorneys' fees.

15.2.2 Officers In addition, the Association shall have the power to indemnify an officer who is not a Board member, as well as employees and agents of the Association who are not Board Members (including the Developer), to the full extent permitted by Washington State Law as it now exists or is amended hereafter. Whether an officer, agent or employee who is not a Board member should be indemnified and the amount of indemnification to be provided shall be determined by general or specific action of the Board of Directors.

15.2.3 Insurance The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Board member, officer, employee, or agent of the

Association against any liability asserted against him and incurred by him in such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of Washington State Law

15.2.4 Guarantees The Association shall indemnify, defend and hold any Board Member or officer harmless for any obligation of the Association which the Board Member or officer personally guaranteed, so long as that Association obligation has been authorized and/or ratified by the Board of Directors as provided for in the Bylaws

15.2.5 Conformance with Law If any provision of this Section 15.2 is in violation of the Washington State Law in effect at the time of the request for indemnification, then that provision shall be automatically modified to provide the broadest indemnification available under the existing Washington State Law

15.2.6 Not Exclusive The rights to indemnification, limitation of liability, and to the advancement of expenses conferred in Sections 15.1 and 15.2 shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, the Association's Articles of Incorporation, Bylaws, agreement, or vote of Members, disinterested Board Members or otherwise

ARTICLE 16 - GENERAL PROVISIONS

16.1 Covenant Running with the Land

The provisions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Lot Owners, their respective legal representatives, heirs, successors and assigns

16.2 Termination

Except as otherwise set forth in the Act, Caleb's Park and this Declaration may be terminated by agreement of Lot Owners of Lots to which at least eighty percent (80%) of the votes in the Association are allocated, pursuant to the terms and procedures set forth in the Act

16.3 Severability

Invalidation of any provision of this Declaration by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect

16.4 Gender

This Declaration is to be read and understood with all appropriate changes of a number and gender as required by the context

16.5 Headings

The captions in this Declaration are for convenience only and do not in any manner affect, limit, or amplify the provisions hereof

16.6 Inflationary Increases in Dollar Limits

The dollar limits specified in this Declaration may, in the discretion of the Board, be increased proportionately to adjust for any inflation in the value of the dollar by the Consumer Price Index for all Urban Consumers (1982 – 1984 = 100 (semi-annual)) specified for "All Items," relating to Seattle-Tacoma-

Bremerton, Washington and issued by the Bureau of Labor Statistics of the United States Department of Labor, or any successor index. If the index for Seattle-Tacoma-Bremerton is discontinued, the National Index shall be used in this calculation. In the event the index shall hereafter be converted to a different standard reference base or otherwise revised, the increase shall be made with the use of such conversion factor, formula or table for converting the index as may be published by the Bureau of Labor Statistics or, if said Bureau shall not publish the same, then with the use of such conversion factor, formula or table as may be published by Prentice Hall, Inc., or, failing such publication, by any other nationally recognized publisher of similar statistical information. In the event the index shall cease to be published, then there shall be substituted for the index such other index as the Board deems reasonable.

The undersigned Developer hereby executes this First Amended & Restated Declaration of Covenants, Conditions and Restrictions for Caleb's Park on 7/19, 2019.
